Instructions for Creating Your Trivia/Quiz Game

The first step for creating a MaeZart trivia/quiz game would be to come up with a topic. The next step would be to download [MaeZart Builder](#) to assist us in the creation of your trivia/quiz game. [MaeZart Builder](#) can be downloaded on our site at www.triviagamenow.com It is very easy to use and can be used in the comfort of your home or business. Once you are finished entering in all of your questions into MaeZart Builder, you will then submit the “.txt” file generated to sales@triviagamenow.com

Also, do not forget to include a picture of your trivia/quiz game topic or else a picture will be provided for you.

If your trivia/quiz game links to other pages of the PDF document for answers, there will be a more detailed approach to creating the trivia/quiz game that may involve several phone conferences or the use of GoToMeeting.
